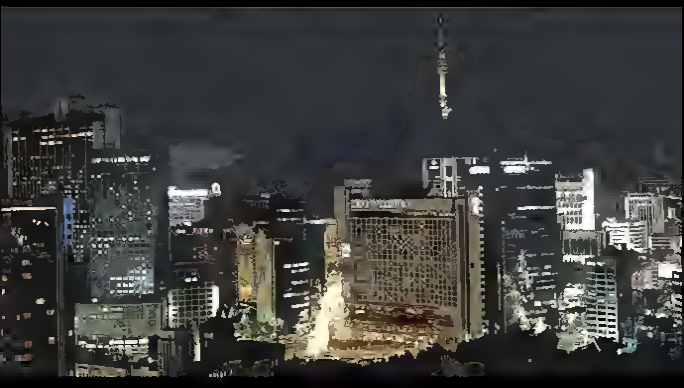
The city of Seoul



Of the South Korean population,
1 out of 5 live here.

The world's third
most populated city.

In this cramped city of Seoul,
there are many beings other than humans...

...and those beings
are ghosts.

With the number of deaths in Seoul, the increase in the ghost population was guaranteed.

But Seoul's small land size caused the ghosts to be possessive.

GET OUT! THIS IS MY TERRITORY!
WHAT? DID YOU HAND IN REGISTRATION FORMS? HOW DARE YOU POSE AS AN OWNER?
WHY YOU... IF I TELL YOU TO GET OUT, THEN GET OUT! YOU TALK TOO MUCH!
ARGH! ARE YOU SAYING WE SHOULD HAVE A MATCH?

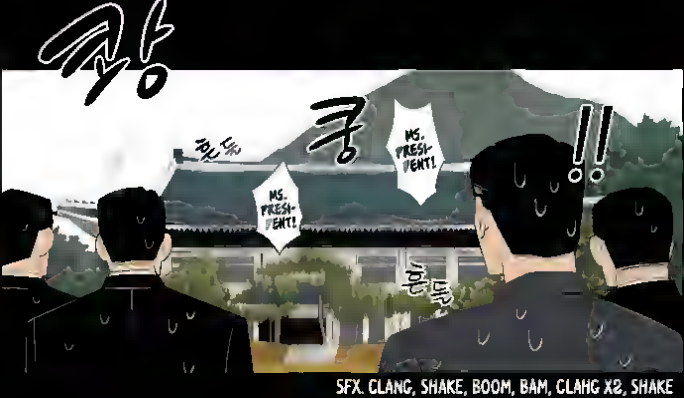
Eventually there were disputes over territories amongst themselves.

Day by day, as the damages escalated...



The ghosts even fought over the Cheong Wa Dae*.

*T/N: THE PRESIDENTIAL BUILDING

...and established special laws for public management between humans and ghosts.
